

INETIPASS

INETICO has combined Medical and Dental Claim Administration and Care Management within our proprietary web-based system, INETIPASS.

INETIPASS provides clients with real-time information, 100% transparency and interactive tools for all their care and claims activity.

WHAT MAKES INETIPASS UNIQUE?

- Multiple networks managed through a single portal
- Individualized network assignment by group at the member level
- On-line claims repricing transparency
- Live annual net savings ticker display
- Accessible, up to the minute Nurse Care Manager notes
- Interactive reporting capabilities and search functions
- Individual case ROI calculations
- Clinical data-mining and predictive modeling

INETIPASS, THE ULTIMATE TOOL IN MANAGING YOUR MEDICAL AND DENTAL COST CONTAINMENT NEEDS.
