

ADVANCED NEGOTIATION

Pre-Treatment Capture & Containment of High-Cost and Over-Charged Claims

- Negotiation of high dollar cases before treatment is rendered
- Plan participant directed to in-network providers when a discount cannot be obtained
- Member education of the financial liability if they use out-of-network providers
- No patient balance billing
- Appropriate plan language protects the self-funded employer

INETICO ADVANTAGE:

Pre-treatment interventions virtually eliminate retrospective negotiations and ensure the greatest possibility of plan savings.
